

Dear Moore Square Families,

May 2017

My name is Rebecca Craig and I am the drama teacher and director here at Moore Square Magnet Middle School. I'd like to start by inviting your student(s) to apply to be a Student Director for a funny, family-friendly, and charming show, *Seussical Jr.*!

Before applying, here are some important things to note.

What is a Student Director?

A Student Director helps the Director in creating the show. They might be required to block a few scenes, assist actors with character development, review blocking or songs with actors, help run errands for the director, and oversee the designs for different technical elements. The Student Director will work directly with Ms. Craig and Ms. Robinette in this important leadership role. If chosen for this position, you will be taught and guided through this process by these two professionals.
